Operation Horses and Heroes
740 Cheyenne Lane
Elgin, IL 60123

Dear everyone,

When my husband and I went to the very first session of Operation Horses and Heroes in Wisconsin we had no idea what to expect. We drove down from Michigan in our motorhome and what we walked away with that weekend was a new wealth of knowledge of help for Jim, a large family to go to so we were not alone and best part of it all a sense of belonging. OHH has healed both of us and we have found a special place in our hearts that connects through the staff and through the horses.

Our thanks goes to Gerald Paulsen for all he has done to help us through our bumpy past and Keith French who stood by our side too. Amazing friends who never gave up on us. We look forward to being a part of the program next year.

Sincerely,

Gaye Plansky
